Newark, N. J.

Dear Mrs. Manley:

Thanks a lot for your kind invitation to the informal Get-Together Friday night. I regret, however, that I will be unable to attend as the Health Week Marathon to be held in Baltimore this week-end prevents my leaving the city inasmuch as the AFRO is co-sponsor of the event and it is my duty to take charge of arrangements. I tendered your invitation to our society editor, Mrs. Lula Garrett, but a previous engagement will prevent her attending.

Please keep me informed if anything develops that will be of interest to me. I am making every effort to arrange my program to be able to come to Newark on May 5 as you requested and will write you within a few days to notify you definitely. Best of luck for the coming season and again I wish to express my regrets regarding my inability to attend the Friday night affair.

Yours truly,

  
Carter
